Re: Inter-Municipal Collaboration Initiative

## **A New Phase of Inter-Municipal Collaboration**

Mountain View County and the Town of Olds have been working together to develop an Inter-Municipal Collaboration agreement between the two municipalities. They recognize that advancement of their shared interests will benefit both communities.

The Town and County have undertaken an extensive facilitated collaboration initiative to provide quality of life to their ratepayers by ensuring that growth management, planning, programs and services are effectively, efficiently and economically delivered and are reasonably available to residents.

Both Municipalities have a significant role to play in the success of our shared region and will ultimately share both the risks and rewards of their cooperative efforts.

Over the next 18 months, a number of sub-agreements on specific services will be developed.

The Inter-Municipal Cooperation Agreement will be presented at:

**Town of Olds Council on Monday, January 11, 2016 - 1:00 pm**  
and  
**Mountain View County Council on Wednesday, January 13, 2016 - 9:00 am**

A Special Joint Council Meeting and signing ceremony is being planned for the afternoon of  
**Monday, January 25, 2016 - 1:00 pm at the Mountain View County Office.**

*The Inter-Municipal Co-operation Agreement can be viewed on the Town of Olds website ([www.olds.ca](http://www.olds.ca))
