Procedure Title: Financial Controls
Procedure No.: 1009-01
Approval: CAO
Effective Date: February 22, 2017
Amended Date: August 23, 2017
Amended Date: March 15, 2018
Amended Date: May 3, 2018 Schedule A
Supersedes Procedure No.: Policy No. 1009 Appendix A

1. Budget

- 1.1 Capital and Operating budgets will be prepared annually in accordance with Sections 242 – 247 of the Municipal Government Act (MGA), by the CAO or their delegate. Council will provide direction to the CAO and adopt the budget when they are satisfied with the content.
- 1.2 As part of the budget process Council will set the annual tax rates.
- 1.3 Once the operating, interim and/or capital budget is passed by Council the CAO has the authority to authorize the expenditure of funds and payment of accounts according to the approved budget as per Section 248 of the MGA.
- 1.4 Some variances from budget are expected. As long as expenditures remain consistent with the budget as approved by Council, and overall expenditures do not exceed the total budgeted expenditures by more than 1% of municipal tax revenue the CAO has the authority to approve additional expenditures or decrease expenditures. By remaining consistent with the budget its intended that the CAO is able to increase expenditures in areas that are already included in the budget but not add new programs or initiatives. When expenses have increased in one area the CAO should strive to reduce expenditures in other areas by a corresponding amount.
- 1.5 The CAO has the authority to cancel or suspend initiatives that were approved in the budget. If this occurs the CAO will contact the Reeve immediately and will report to Council, at the next regularly scheduled Council meeting, the initiatives involved and the circumstances that led to cancellation or suspension. Once contacted the Reeve may call a special meeting of Council, at their discretion. If an initiative is delayed this should be noted when explaining variances as part of financial reporting.
- 1.6 When there is the need for additional expenditures that are not consistent with this Policy and Procedure or anticipated in the budget, these must be brought to Council to receive approval of the expenditure and to determine the source of funding for the expenditure.
- 1.7 Council must be informed of Contracts with a total value which exceeds \$100,000 and extends beyond 12 months.
- 1.8 The funds for any specific initiatives not completed may be placed in a reserve to be spent within 36 months.

2. Financial Reporting

- 2.1 The CAO will ensure accurate records and accounts are kept of the financial affairs of the County as per Section 208(1)(j) of the MGA.
- 2.2 Financial reporting is used primarily to verify County expenditures.
- 2.3 The Policies and Priorities Committee will receive regular financial reports which give information on operating funds, capital funds, reserves and expenditures approved subsequent to the initial budget. Actual results should be compared to budgeted amounts and significant variances highlighted.
- 2.4 Generally reporting will be monthly and at a program level but Council may request any reporting frequency and level of detail that they deem necessary and appropriate.

3. Revenues and Receipts

- 3.1 Revenues may be collected in cash, cheque, money order, electronic transfer, debit card, or credit card.
- 3.2 Receipts will be issued where practical and may be either on paper or electronically.

4. Review of Cheques

- 4.1 The Reeve and CAO's signatures, or designates signatures, will appear on all general cheques.
- 4.2 Only the CAO's or designates signature is necessary for payroll cheques.
- 4.3 The Reeve or Deputy Reeve and the CAO, or their designate, should conduct a general review of each general cheque run noting payees and amounts. This is not an approval process and it is not expected that they review the back up documentation for each cheque, although back up documentation will be provided if requested. The Reeve or Deputy Reeve and the CAO, or their designate will sign the cheque register confirming the review has occurred.
- 4.4 Signatures for cheques may be hand written, lithographed or reproduced electronically.
- 4.5 The cheque register listing the payees and amounts for each general cheque run should be made available to Council members for examination.
- 4.6 As per section 270 of the MGA only the CAO may authorize the opening or closing of accounts that hold money for the County.
- 4.7 As per Section 208(h) of the MGA Council must approve all County financial institutions. Currently these include the Royal Bank of Canada, Mountain View Credit Union, Alberta Treasury Branch, CIBC Wood Gundy and UBS Global Asset Management (Canada).
- 4.8 All cheques over \$500,000 require the manual signatures of the CAO or designate and the Reeve or designate.

5. Approval of Positions

5.1 Any new permanent positions require the approval of Council. The CAO has the authority to restructure existing positions and modify job duties providing new additional permanent positions are not created.

6. Delegation to CAO

6.1 The Bylaw which appoints the CAO delegates responsibility for maintaining financial controls to the CAO. The CAO will establish the necessary and appropriate financial control procedures to support this policy.

7. Audit Committee

7.1 An Audit Committee will be formed as per the Audit Committee Policy #1028.

8. GOA (Grant of Authority)

Schedule "A" will identify by position, the authority to approve expenses and enter into contracts within individual department budgets.

8.1 With the approval of the Chief Administrative Officer and the department Director the Grant of Authority for individual positions may be increased to the next level higher where there is a business need and the increased authority would increase efficiency, while not compromising the integrity of the Council approved budget.

8.2 In accordance with Schedule "A", staff that are issued a Corporate Credit Card will be required to sign the Credit Card Use Agreement as Schedule "C".

9. Procurement Requirements of Equipment, Goods and Services

9.1 Purchases up to \$25,000 may be sole sourced.

9.2 Purchases over \$25,000 up to \$74,999 require a minimum of 3 written quotes, a Request for Proposal, or Tender.

9.3 Purchases over \$74,999 must be posted on the Alberta Purchasing Connection unless the New West Partnership Trade Agreement provides an exception.

9.4 Where Manufacturer Specifications and Warranties need to be maintained purchases over \$25,000 may be sole sourced.

9.5 Buying items at an auction is an acceptable alternative of purchasing for both 9.2 and 9.3

10. Procurement Requirements for Construction Contracts

10.1 Construction Contracts may be awarded up to a contract value of \$199,999. A minimum of 3 competing quotes should be obtained before selecting a Contractor.

10.2 Construction Contracts with a value of \$200,000 and higher must be posted on the Alberta Purchasing Connection unless the New West Partnership Trade Agreement provides an exception.

10.3 All Construction Contracts with a value exceeding \$1,000,000 must use Pre Qualified Contractors in accordance with New West Partnership Trade Agreement Guidelines.

11. Disposal of Assets:

When assets have been replaced or are no longer required for county use they will be disposed of in a manner that maximizes recovery of costs. See Schedule "B" Checklist for Purchasing and Disposing of Equipment/Vehicles.

- 11.1 Assets with a residual value exceeding \$1,000 will be disposed of by public auction. Operational Services will be responsible for determining which public auction firm will provide the best return. Both commission charges and logistics to prepare equipment and deliver to auction location will be taken into account when deciding which auction firm will be selected.
- 11.2 Assets with a residual value of less than \$1000 may be disposed of by sealed bid. Operational services will be responsible for determining the bid process and advertising.
- 11.3 Assets with a residual value of less than \$50 may be disposed of at the discretion of the department Manager or Foreman.
