T. Johnston gave an update on the Netook Business Park development and proposed that Council approve an amendment the Development Agreement. Other items addressed are as follows:

- Outstanding Financial Obligations
- Final Acceptance Certificates
- Letter of Credit

Council questions resulted in the following information:

- The Final Acceptance Certificated (FAC) is a standard requirement
- Wastewater hauling fees are high
- Mountain View County will need a Utility Rate Bylaw to address operation of waste water utility
- FAC will be applied for by Prodev. The County to consider how to manage and maintain waste water once FAC is signed.

ADOPTED

- Parking on service road is a concern as it makes it difficult for farm equipment to use the road.

Reeve Beattie thanked Terry Johnston for the presentation.

## PUBLIC HEARINGS

Reeve Beattie opened the joint public hearing regarding Bylaw #07/15 Land Use Bylaw, Bylaw #08/15 Municipal Development Plan, Bylaw #09/10 South McDougal Flats ASP and Bylaw #10/15 South East Sundre ASP and read the Bylaws.

The amendments are to insert the ESRD Study map, update policies and definitions that apply to the floodway, flood fringe and areas prone to flooding to be consistent with other statutory plans that include Municipal Development Plan, Areas Structure Plans and Land Use Bylaw.

A letter from Mr. K. Hugh Ham, Municipal Counsellors opposed to proposed amendments was handed out as information.

Bylaw #08/15  
MDP/Bylaw #09/15  
South McDougal Flats ASP/  
Bylaw #10/15 South East  
Sundre ASP

M. Bloem introduced the policy changes to the Municipal Development Plan and Area Structure Plans. The presented maps for flood hazard area on floodway and flood fringe have been finalized. The proposed amendments do not change the intent of the existing policies.

Reeve Beattie asked if there were any comments from the gallery.

Don Molesky resident of the Molmac subdivision area addresses his concerns regarding compensation for affected properties on further erosion; and stabilizing the river.

David Reimer resident of the Waldern subdivision addressed his concerns with the timing of changes, regulations to the moratorium, and Mountain View County's liability

Council questions resulted in the following information:

- Council and Administration are working towards completing the berm and lobbying to the province on compensation for landowners affected by river and flooding areas.

Bylaw #07/15  
LUB Amendment

The amendments to the Land Use Bylaw was introduced by M. Bloem, Director of the Planning and Development Department, provided in the agenda package, addressed proposed bylaw, timelines, letters of objection and concerns.

The changes consist of replacement of Hazard maps, definitions, amending the aerial regulations section 9.12 Hazard Lands and appendix A definitions of a Flood Risk Assessment (FRA) and deleting temporary moratorium if approved.

Reeve Beattie asked if there were any comments from the gallery.

David Lamb resident of the Waldern subdivision was opposed to the Uses outlined in 9.12. section 3.0 rendering the lands useless and compared changes to expropriation. A request was made that reasonable measures be considered to allow use for property or provide compensation for loss of use.

Jerry Mossing member of Coyote Creek Condo Associations and Golf Resort stated the area is located in the middle of the floodway. The concern with proposed changes restricts property use. Proposed changes should include park models, accessory buildings and decks up off the ground.

Don Molesky resident of the Molmac subdivision stated there were only two buildings in flood fringe. The south boundary established by Alberta Environment has moved due to erosion; bank needs to be stabilized.

David Moore member Coyote Creek Golf Resort stated that 26 lots in phase 3 have sold with some accessory buildings. There is another phase 3B to be developed at a later date for 50 lots. The proposed Land Use amendments will make the properties useless.

Bill Radley lives along Range Road 6.1. The new map of the flood plain is affecting property values.

Dave Reimer resident of the Waldern subdivision asked Council to take into consideration that land is now valueless; no consideration was given by Mountain View County to landowner's investment.

Bruce Johnson president of Coyote Creek Golf Resort stated that park models and shed can be anchored down to address floodway concerns.

Corinne Worrall stated the berm on the Vollman's land is causing the flooding as berm is unfinished. Council should

finish building the berm and fix the ditches to solve the problem of flooding in the area.

Council questions resulted in the following information:

- Coyote Creek is developed in 3 phases. Phase 1 and 2 have less than 10% undeveloped lots
- Park Model designs are blocked up, skirted and can be anchored; water can run underneath the skirting
- Coyote Creek has 180 sites in Phase 1 and 2
- Mountain View County will be liable for any development in Floodway. Floodways need to be kept clear with no obstructions
- Proposed amendments would allow existing development in floodway to stay; bare lots in floodway cannot be developed
- Last three flooding events to Coyote Creek was infrastructure damage only. Phase 3 had no damage at all

The Planning and Development Department was provided the opportunity for closing remarks and declined.

Hearing no further comments Reeve Beattie closed the Public Hearing.

Recessed and Reconvened

Reeve Beattie recessed the meeting at 2:24 p.m. and reconvened at 2:36 p.m.

Bylaw #02/15  
Bearberry – Red Deer  
River Corridor ASP

Reeve Beattie reconvened the Public Hearing of Bylaw No. 02/15 Bearberry – Red Deer River Corridor ASP.

Matthew Pawlow, Manager of Planning Services introduced the Bearberry – Red Deer River Corridor ASP regulations on controlled camping within Mountain View County as per Council's motion from May 27, 2015 Regular Council meeting, and recommend Council approve the amendments to ensure definitions and policies relating to areas prone to flooding and flood hazard area are consistent throughout the ASP's.

Reeve Beattie asked if there were any comments from the gallery.

Don Harris resident of Bearberry area was opposed to camping in the area. Random campers have little respect for property. Do not cleanup camping site after they leave, and are careless with fire.

Nila Stringer resident of Bearberry area was opposed to any campers in the Bearberry area. Most community put camping closer to services. Would like to see regulations put in place for children driving recreation vehicles, not in favour of commercial campgrounds as Bearberry area is too small.

Letters from Noranda Jasman, Rainer and Brigitte Launhardt and Jan Cormeau in opposition of commercial campgrounds were handed out as information.

Hearing no further comments Reeve Beattie closed the Public Hearing.

Moved by Councillor Aalbers  
RC15-452 That Council approve the replacement of 7. 10. 3, and 7.10 4 of the Bearberry – Red Deer River Corridor ASP contained within the agenda package with section 7.5.10, 7.5.11 and 7.5.12 from the Bergen ASP contained within the agenda package to keep Area Structure Plans consistent.
