

4. GRAVEL ROYALTIES

Policy Statement:

The County of Mountain View will pay gravel royalties to private land owners for the purchase of gravel to be used in County road construction and maintenance projects.

Regulations:

1. Royalty rates are negotiated individually.
2. Principles used in negotiations are whether payment is in advance and other special conditions.
3. Current rates used for negotiation are in the compensation rate schedule approved annually by County Council.
4. The County Commissioner is authorized to negotiate gravel royalty rates and may seek input from Council.
