The above noted Development Permit application on the NW 13-29-4-5 for a Dwelling, Secondary Detached (Move-In/Relocation) was considered by the Administrative Subdivision & Development Approving Authority on August 11, 2026.

The following policies were taken into consideration by the Administrative Subdivision & Development Approving Authority when reviewing the application:

Land Use Bylaw No. 10/24	Section 9.10. Dwelling, Secondary Detached Section 9.13. Relocation of Structures Section 11.1. A Agricultural District

The Administrative Subdivision & Development Approving Authority concluded that a Dwelling, Secondary Detached (Move-In/Relocation) is suitable development for NW 13-29-4-5 and conforms to the above noted policies.

As such, the Administrative Subdivision & Development Approving Authority has approved the application subject to the following conditions:

STANDARD CONDITIONS:

1. The provisions of the Land Use Bylaw No. 10/24.
2. Approval by the approving authority does not exclude the need and/or requirements of the Permittee to obtain any and all other permits as may be required by this or any other legislation, bylaws, or regulations.

3. The Development Officer may, by notice in writing, suspend a Development Permit where development has occurred in contravention to the terms and conditions of the permit and/or Land Use Bylaw.
4. If the development authorized by a Development Permit is not complete within twenty-four (24) months from the effective date of the Permit, such Permit approval ceases and the Permit itself is deemed void, expired and without effect, unless an extension to this period has been previously granted.

STANDARD CONDITIONS IF APPLICABLE:

5. Landowners shall be responsible for dust control on the County road adjacent to their property.
6. All access approaches must be to County standards. A no charge approach permit is required and can be obtained at the Mountain View County office.
7. An Alberta Land Surveyor is to locate / post the location of the building(s) / structure(s) prior to construction as per the approved sketch. The County shall not be responsible or liable for non-compliance with this condition.
8. A rural address is required to be posted on the property. The landowner shall contact the Corporate Services Department of Mountain View County to obtain a rural address including the requirements for posting it on the property in accordance with the Rural Addressing Bylaw.
9. No development shall be constructed, placed or stored over an easement or utility right-of-way; the applicant/owner is responsible for contacting Alberta-One-Call and/or other governing authority.

PERMITS ASSOCIATED WITH BUILDING CONSTRUCTION:

10. Permittees are advised that they are subject to standards of the Safety Codes Act of Alberta and are responsible to meet the requirements of the Act in regard to building, electrical, gas, plumbing and private sewage disposal systems. Prior to construction, required Permits must be obtained from Mountain View County. Mountain View County shall not be responsible or liable in any manner whatsoever for any structural failures, defects or deficiencies whether or not the said development has complied with the Safety Codes Act of Alberta.

11. This permit is issued for a Dwelling, Secondary Detached (Move In/Relocation) built in the 1970s as per the information and photos submitted with the application. Only two detached dwellings are permitted on the property.

Note: Portions of this property are within an Environmentally Significant Area, therefore the applicant/landowner is encouraged to maintain and preserve the natural state of the land.

A Notice of Decision for this Development Permit, that lists all the conditions and includes the site plan, will be placed on the County's website at <https://www.mountainviewcounty.com/p/development-permits>.
