As such, the Administrative Subdivision & Development Approving Authority has approved the application subject to the following conditions:

STANDARD CONDITIONS:

1. The provisions of the Land Use Bylaw No. 10/24.
2. Approval by the approving authority does not exclude the need and/or requirements of the Permittee to obtain any and all other permits as may be required by this or any other legislation, bylaws, or regulations.

3. The Development Officer may, by notice in writing, suspend a Development Permit where development has occurred in contravention to the terms and conditions of the permit and/or Land Use Bylaw.
4. If the development authorized by a Development Permit is not complete within twenty-four (24) months from the effective date of the Permit, such Permit approval ceases and the Permit itself is deemed void, expired and without effect, unless an extension to this period has been previously granted.

STANDARD CONDITIONS IF APPLICABLE:

5. Landowners shall be responsible for dust control on the County road adjacent to their property.
6. All access approaches must be to County standards. A no charge approach permit is required and can be obtained at the Mountain View County office.
7. An Alberta Land Surveyor is to locate / post the location of the building(s) / structure(s) prior to construction as per the approved sketch. The County shall not be responsible or liable for non-compliance with this condition.
8. A rural address is required to be posted on the property. The landowner shall contact the Corporate Services Department of Mountain View County to obtain a rural address including the requirements for posting it on the property in accordance with the Rural Addressing Bylaw.
9. No development shall be constructed, placed or stored over an easement or utility right-of-way; the applicant/owner is responsible for contacting Alberta-One-Call and/or other governing authority.

PERMITS ASSOCIATED WITH BUILDING CONSTRUCTION:

10. Permittees are advised that they are subject to standards of the Safety Codes Act of Alberta and are responsible to meet the requirements of the Act in regard to building, electrical, gas, plumbing and private sewage disposal systems. Prior to construction, required Permits must be obtained from Mountain View County. Mountain View County shall not be responsible or liable in any manner whatsoever for any structural failures, defects or deficiencies whether or not the said development has complied with the Safety Codes Act of Alberta.

ADDITIONAL CONDITION(S):

11. This permit is issued for a Dwelling, Move In/Relocation and Temporary RV Accommodation, built in 1998, as per the information and photos submitted with the application and any improvements to the dwelling mentioned in the application that shall be completed.
12. Temporary Recreational Vehicle living accommodation will be permitted only during the active construction of proposed dwelling. Living accommodations in the RV will cease within twenty-four months of the issuance of this permit or upon final inspection of the dwelling - whichever comes first. No further occupancy or camping will be permitted.
