Introduction

Mountain View County is preparing to conduct the 2025 Municipal Election on Monday October 20th and associated Advanced Polls. To ensure the success of the election process, a number of election workers are required to be hired and trained to conduct various election related duties in addition to any other Provincial mandated vote opportunities that may be required. At this time, the number of election workers required will vary based on the number of Electoral Divisions conducting an election and as such, workers **will not be hired until following Nomination Day - September 22nd, 2025.**

Following nomination day, successful applicants will be contacted to arrange for mandatory training and to identify which polling opportunities they will be assigned. ***In the event that your information or availability changes between submission and September 22nd, please notify us as soon as possible.***

Mountain View County thanks you for your interest and participation in the 2025 Municipal Election.
