

Seasonal Class 3 or Class 1 Truck Drivers – Road Maintenance Programs

Spring/Summer 2026

Term: Seasonal – May to October 2026

Wage is \$26.56/hr 44 hours per week

Mountain View County is currently seeking experienced Class 3 or Class 1 truck drivers to support our 2026 seasonal road maintenance programs. Candidates must have experience operating a Tandem Axle Gravel Truck and/or Tandem Axle Water Truck.

Primary Duties and Responsibilities:

- Operate tandem axle gravel or water trucks on seasonal road maintenance programs
- Safe and efficient hauling, dumping/spreading of aggregate materials or hauling/applying water for dust control and material compaction projects
- Perform daily pre-trip inspections and minor maintenance on equipment
- Adhere to Mountain View County's Health & Safety policies and worksite procedures
- Maintain required documentation and logbooks

Qualifications & Requirements:

- Valid Alberta Class 3Q or Class 1 Driver's License with clean abstract
- Strong understanding of the Highway Traffic Act
- Experience operating tandem axle gravel truck and/or tandem axle water truck
- Knowledge of road maintenance, dust control, or chip seal operations would be an asset
- Ability to effectively communicate with co-workers and supervisors
- Ability to work in a team-oriented, face-paced environment
- Comfortable with working outdoors in varied weather conditions
- Physically capable of performing position duties
- Perform other duties as assigned

3 positions to fill, will keep posting open until all positions are filled

Resume to be submitted to hr@mvcountry.com
