

## **Mountain View County Contract Gravel Haulers Required**

Mountain View County is currently looking for contract gravel haulers for our 2026 re-gravelling season. Tandem truck with either tandem or tri-axle belly dump trailers will be accepted. It will be the successful contractor's responsibility to provide equipment, fuel, services and storage.

Please note that preference will be given to companies who have worked for Mountain View County in the past.

If you are interested in applying, please submit your Letter of Proposal, along with names of all drivers, commercial driver's abstract (current within 60 days) for each driver (must have less than 6 demerits), proof of insurance and current WCB coverage to:

Mountain View County  
Attention: Alvin Wisnoski – Manager, Operational Services
