## Policy Statement:

Council bears the responsibility for the stewardship of Mountain View County (the “County”). Council’s function involves monitoring of all significant aspects of the management of the County’s operations.

## Purpose:

To assist Council in it’s monitoring of the County’s financial reporting and disclosure, Council has established a committee of the Council known as the Audit Committee (the “Committee”). The Audit Committee’s duties include the oversight of the budget process and performance measures.

## Principles:

1. The Committee shall meet at least two times annually, or more frequently as circumstances require. The first of the two meetings would be expected to occur in the fall prior to the annual audit and focus on preparation for the annual audit. The second meeting would be expected in the spring and focus on the audit results. Regular meetings will be scheduled by management. Additional meetings shall be held at the call of the Chairman, upon the request of a member of the Committee or at the request of the external auditors.
2. The Committee shall be appointed annually by Council and consist of at least two (2) members from among the councilors of the County (normally the Reeve and Deputy Reeve). In addition, a third member may be appointed who is neither a Councilor nor a member of management. Each appointee shall be independent and free from any relationship that, in the opinion of the Council, would interfere with the exercise of his or her independent judgment as a member of the Committee. The County Chief Administrative Officer and Director Corporate Services will sit on the Committee as non-voting members.
3. Council shall designate the Chairman of the Committee.
4. Regular Committee meeting agendas shall be the responsibility of the Director Corporate Services in consultation with the external auditors.
5. A quorum shall be a majority of the members.
6. In the absence of the Chairman of the Committee, the members shall appoint an acting Chairman.
7. At each meeting of the Committee, the members of the Committee shall have the option to meet in private session with the external auditors; with management; and/or with the Committee members only. In any case, in

each meeting there will be a time when the Committee meets with the external auditors in the absence of the County staff.

8. Meeting notes of each Committee meeting will be kept but are not required to be approved by Council.
9. Each year the Committee will present the annual audited financial statements to Council and report on how it discharged its responsibilities.
10. From time to time County Council may assign other duties related to the financial operations of the County to the Audit Committee.
11. The Audit Committee will review and make recommendations to Council on matters related to the budgeting process, the review and development of policies, audit and long-range financial plans.

## 1. Mandate

### 1.1 Reporting and Disclosure

Financial reporting and disclosure by the County constitute a significant aspect of the management of the County's operations. The objective of Council's monitoring of the County's financial reporting and disclosure is to gain reasonable assurance of the following:

- (a) That the County complies with all applicable laws, regulations, rules, policies and other requirements of governments, and regulatory agencies relating to financial reporting and disclosure;
- (b) That the accounting principles, significant judgments and disclosures which underlie or are incorporated in the County's financial statements are the most appropriate in the prevailing circumstances;
- (c) That the County's annual financial statements are accurate and present fairly the County's financial position and performance in accordance with generally accepted accounting principles; and
- (d) That the appropriate information concerning the financial position and performance of the County is disseminated to the public in a timely manner.

### 1.2 Fundamental Activities

The Council is of the view that the Financial Reporting Objective may not be reliably met unless the following activities (the "Fundamental Activities") are conducted effectively:

- (b) The County's internal financial controls are regularly assessed for effectiveness and efficiency;
- (c) The County's annual financial statements are properly prepared by management; and
- (d) The County's annual financial statements are reported on by an external auditor appointed by the Council of the County.

### **1.3 Reliance on Experts**

In contributing to the Committee's discharging of its duties under this mandate, each member of the Committee should be entitled to rely in good faith upon:

- (b) Any report of a lawyer, accountant, engineer, appraiser or other person whose profession lends credibility to a statement made by any such person.

### **1.4 Limitations on Committee's Duties**

In contributing to the Committee's discharging of its duties under this mandate, each member of the Committee is obliged only to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Nothing in this mandate is intended, or may be construed, to impose on any member of the Committee a standard of care or diligence that is in any way more onerous or extensive than the standard to which all Council members are subject. The essence of the Committee's duties is monitoring and reviewing to gain reasonable assurance (but not to ensure) that the Fundamental Activities are being conducted effectively and that the Financial Reporting Objective is being met and to enable the Committee to report thereon to the Council.
